Dear Shareholder

Approval of waiver under Rule 9 of the Takeover Code

This circular concerns a renewal of the approval of a waiver under Rule 9 of the Takeover Code, a resolution for which was approved last year by Shareholders and the Independent Directors at the Company's General Meeting held on 14 January 2010, immediately following the Annual General Meeting. During the year, the Company purchased 236,000 Ordinary Shares for cancellation at a total cost of £1,778,997. The total number of Ordinary Shares in issue following these transactions was 1,339,007.

1. Introduction

The Cardiff Property plc is involved in the investment in and development of a property portfolio in the south of England.

At the Company's Annual General Meeting to be held on 13 January 2011 at 12:00 noon, Shareholders will be asked to renew the Company's authority to purchase up to 14.99 per cent of its Issued Share Capital (in this instance representing 200,717 Ordinary Shares) ("the Authority"). In the event that the Authority is renewed and during the period of the Authority, being the period from the Annual General Meeting in 2011 to the earlier of the Annual General Meeting in 2012 or 13 April 2012, the Company purchases all such Ordinary Shares for cancellation or treasury, the Ordinary Shares currently held by members of the Concert Party (which comprises myself, Richard Wollenberg, and my family) would, in aggregate, comprise over 30 per cent of the remaining Ordinary Shares in issue. This would oblige the Concert Party to make a mandatory offer for the remaining Ordinary Shares in issue and not then owned by them under Rule 9 and Rule 37 of the Takeover Code, unless a specific waiver of such obligation is obtained from the Panel and approved by the Independent Shareholders.

Subject to the renewal of approval of the Resolution by the Independent Shareholders on a poll, the Panel has agreed to waive this obligation in the event that the Concert Party's aggregate holding of 561,886 Ordinary Shares increases to a maximum of 49.36 per cent (assuming that the Concert Party does not participate in the buyback), provided that any increase in such holding arises only as a result of the Company purchasing up to 200,717 of the issued Ordinary Shares pursuant to the Authority. The Concert Party currently holds 561,886 Ordinary Shares representing 41.96 per cent of the current Issued Share Capital.

The purpose of this circular is to explain why your Board considers that these waivers are in the best interests of the Company and its Shareholders as a whole and to seek renewal of the approval of the Independent Shareholders for such waiver.

2. Background and reasons for the share buyback

Your Board believes that the purchase by the Company of its own shares would represent good use of the Company's available cash resources and, by increasing earnings per share and net asset value per share, will maximize shareholder value.

Your Board also believes that the Company has sufficient resources for the purchase of up to 200,717 of the issued Ordinary Shares that may be made pursuant to the Authority following the Independent Shareholders' approval that is now sought.

The maximum price (exclusive of any expenses to be paid on any purchase of an Ordinary Share) which will be paid by the Company for any Ordinary Share purchased by it pursuant to the Authority will not be greater than 5 per cent above the average middle market price of an Ordinary Share as derived from the Official List of the London Stock Exchange for the ten business days immediately preceding the date of the purchase. The minimum price (exclusive of any such expenses) will be 20 pence (being the nominal value of an Ordinary Share). Any Ordinary Shares purchased in this way will either be cancelled and the number of Ordinary Shares in issue reduced accordingly or will be held in treasury.

Details of all dealings in Ordinary Shares by members of the Concert Party during the last 12 months and the interests of members of the Concert Party in Ordinary Shares (including Ordinary Shares in respect of which outstanding options have been granted to members of the Concert Party) are set out in Part II of this document.

3. The Takeover Code

The share buyback gives rise to certain considerations under the Takeover Code.

The Takeover Code is issued and administered by the Panel. The Takeover Code applies to all takeovers and merger transactions, however effected, where the offeree company is inter alia, a public company with its registered office in the UK and where securities are admitted to trading on a regulated market in the UK. The Cardiff Property plc is such a company and its shareholders are entitled to the protections afforded by the Takeover Code.

Under Rule 9 of the Takeover Code ("Rule 9") any person who acquires, whether by a series of transactions over a period of time or not, an interest in shares which (taken together with shares in which persons acting in concert with him are interested) carry 30% or more of the voting rights of a company; or (b) any person, together with persons acting in concert with him, is interested in shares which in the aggregate carry not less than 30% of the voting rights of a company but does not hold shares carrying more than 50% of such voting rights and such person, or any person acting in concert with him, acquires an interest in any other shares which increases the percentage of shares carrying voting rights in which he is interested, such person shall extend offers, on the basis set out in Rules 9.3, 9.4 and 9.5, to the holders of any class of security whether voting or non-voting and also to the holders of any other class of transferable securities carrying voting rights.

An offer under Rule 9 must be in cash and at the highest price paid within the twelve months prior to the announcement of the Offer for any interest in shares in the company by the person required to make the offer or any person acting in concert with him.

Under Rule 37 of the Takeover Code any increase in the percentage of shares carrying voting rights held by a shareholder or persons acting in concert with the shareholder resulting from the purchase by the company of its own shares will be treated as an acquisition for the purpose of Rule 9 of the Takeover Code. As the Concert Party beneficially owns 41.96 per cent of the Issued Share Capital, and the members of the Concert Party have previously been and are regarded by the Panel to be acting in concert, any exercise of the Authority to buy back issued Ordinary Shares could result in the Concert Party being obliged under Rule 9 of the Takeover Code to make an offer for the remaining Ordinary Shares then in issue and not already owned by them.

However, as stated above, the Panel has agreed, subject to renewal of the approval by Independent Shareholders voting on a poll on Resolution 1 to be proposed at the General Meeting, to waive this obligation in the event that the Concert Party's aggregate holding of 561,886 Ordinary Shares increases to a maximum of 49.36 per cent, provided that any increase in such holding arises only as a result of the Company purchasing back up to 200,717 of the issued Ordinary Shares pursuant to the Authority and assuming that the Concert Party does not participate in the buyback.

The aggregate number of Ordinary Shares held by members of the Concert Party currently comprises 41.96 per cent of the Issued Share Capital. If 200,717 of the issued Ordinary Shares (being the maximum number of Ordinary Shares which could be purchased by the Company pursuant to the Authority) were to be purchased by the Company, the Concert Party's aggregate holding would comprise approximately 49.36 per cent of the remaining issued Ordinary Shares.

Following the repurchase of shares the members of the Concert Party will between them be interested in shares carrying 30 per cent or more of the Company's voting share capital but will not hold shares carrying more than 50 per cent of such voting rights and as long as they continue to be treated as acting in concert any further increase in that aggregate interest in shares will be subject to the provisions of Rule 9 of the Takeover Code.

4. The Concert Party

The Concert Party consists of myself and my immediate family, full details of which are given in Part II on page 8 of this document.

5. General Meeting

You will find set out at the end of this document a notice convening the General Meeting to be held at the offices of The Cardiff Property plc, 56 Station Road, Egham, Surrey TW20 9LF at 12:15pm on 13 January 2011 (or, if later, immediately following the Annual General Meeting to be held on that date).

The Resolution to be proposed at the GM is an Ordinary Resolution, to be taken on a poll, to approve the waiver by the Panel on Takeovers and Mergers of any requirement under Rule 9 of the Takeover Code for myself and persons deemed to be acting in concert with me under the Code (“the Concert Party”) to make a general offer to Shareholders of the Company to acquire their shares in the Company arising as a result of market purchases by the Company of up to 200,717 Ordinary Shares in the capital of the Company, during the period from the Annual General Meeting in 2011 to the earlier of the Annual General Meeting in 2012 or 13 April 2012, pursuant to the authority to be sought at the Company’s AGM to be held on 13 January 2011, which would have the effect of increasing the Concert Party’s aggregate interest to 49.36 per cent of the voting rights of the Company.

No members of the Concert Party will vote on the Resolution.

6. Action to be taken

Shareholders will find attached to this document a form of proxy for use in connection with the General Meeting. The Form of Proxy should be completed and returned in accordance with the instructions thereon so as to be received by the Company at 56 Station Road, Egham, Surrey TW20 9LF as soon as possible and in any event not later than 48 hours before the time of the GM. Completion and return of the Form of Proxy will not prevent a Shareholder from attending and voting at the meeting should he/she so wish.

7. Additional Information

Your attention is drawn to the additional information set out in Part II of this document. Shareholders are advised to read the whole of this document and not rely solely on the summary information presented in this letter.

8. Recommendation

The Independent Directors, who have been so advised by Beaumont Cornish, believe the Rule 9 waiver described in the Resolution to be fair and reasonable and to be in the best interests of Independent Shareholders and the Company as a whole. In providing advice to the Independent Directors, Beaumont Cornish has taken into account the Independent Directors’ commercial assessment.

Beaumont Cornish is the Plus Market Corporate Adviser to General Industries Plc of which J R Wollenberg is a director and 13.6% shareholder (including close relatives). However, Beaumont Cornish, as agreed with the UKLA, confirm that they are independent of the Company.

Accordingly, the Independent Directors unanimously recommend Shareholders to vote in favour of the Resolution as the Independent Directors intend so to do in respect of their beneficial shareholdings amounting to 8,500 Ordinary Shares representing 0.63 per cent of the Issued Share Capital. As a member of the Concert Party I will not vote on the Resolution.

J R Wollenberg

Chairman

Notes:

1. A member entitled to attend and vote at the above meeting is entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote on his/her behalf at the meeting. A proxy need not be a member of the Company.
2. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy you may photocopy the form of proxy. Please indicate the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope.
3. A form of proxy accompanies this notice. Forms of proxy, to be valid, must be delivered to the Company's offices at 56 Station Road, Egham, Surrey TW20 9LF in accordance with the instructions printed thereon, not less than 48 hours before the time appointed for the holding of the meeting.
4. If you are not a member of the Company but you have been nominated under section 146 of the Companies Act 2006 (the 'Act') by a member of the Company to enjoy information rights, you do not have the rights of members in relation to the appointment of proxies set out in notes 1, 2 and 3. The rights described in those notes can only be exercised by members of the Company.
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
6. The Resolution set out in this notice will be taken on a poll in accordance with the requirements of the Panel on Takeovers and Mergers for dispensation from Rule 9 of the Takeover Code and the Concert Party (as defined in the Circular) will not vote on the Resolution.
7. Information regarding the meeting, including the information required by section 311A of the Act, is available from www.cardiff-property.com.
8. As provided by Regulation 41 of the Uncertificated Securities Regulations 2001, only those members registered in the register of members of the Company 48 hours before the time set for the meeting shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
9. As at 16:00 hours on 23 November 2010, the company's issued share capital comprised 1,339,007 ordinary shares of 20 pence each. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company at 16:00 hours on 23 November 2010 is 1,339,007.
10. Under section 319A of the Act, the Company must answer any question you ask relating to the business being dealt with at the meeting unless (a) answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; (b) the answer has already been given on a website in the form of an answer to a question; or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

11. If you are a person who has been nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person'), you may have a right under an agreement between you and the member of the Company who has nominated you to have information rights ('Relevant Member') to be appointed or to have someone else appointed as a proxy for the Meeting. If you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Member to give instructions to the Relevant Member as to the exercise of voting rights. Your main point of contact in terms of your investment in the Company remains the Relevant Member (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.
